

Hard Hat w/Muffs Mesh Face Shield

R7020

Details

Provides comfort and protection for your head, face and hearing. Six point suspension safety cap features an orange hard hat with low profile, lightweight black ear muffs with a noise reduction rating the highest in the industry. A black fine mesh face screen fits snugly with the brim of the safety cap to protect your face. Flip-up the face screen and ear muffs when not in use. Ideal protection from wood chips, grass trimmings and flying objects.
