

Open Reel Measuring Tape - 100'

RAF18M100

Details

A premium-quality fiberglass long tape in a built-for-durability housing! 1/2" Ultra-Glass blade for strength and accuracy. Easy-to-grasp, tough, molded crank handle is reinforced with metal to provide years of rugged use. Double throat rollers guide the blade return and prevent the tape from twisting. Shovel handle is ideal for rapid reeling. ABS plastic case. White side in feet, inches and 1/8" units, yellow side in metric (2mm). Hook end.

- Strong, accurate Ultra-Glass 1/2" tape
