

Fimco 3-PT ATV Dry Material Spreader -

4.5 cu/ft

RFDMS3PT12V45

Details

A spreader using a variable-speed 12V motor with on/off switch to change the spread width from 5' to 45'. Ideal for covering turf, parking lots, sidewalks and odd shaped areas. The tough, corrosion-resistant 4.5 cu.ft. hopper keeps dry materials flowing and a stainless steel radial six-blade spreading fan. Adjustable slide gate to control the amount of material being spread and can be opened or closed with a simple turn of the on/off handle. Steel, powdered-coated frame and universal ATV mounting brackets. Spread width 5' to 45'. Holds up to 220 lbs. Includes VCS-10 Controller, wiring harness, mounting brackets and hardware. 4.5 cu.ft hopper

- 5' to 45' Variable Spread Width
- Stainless Steel Radial 6-Blade Spreading Fan
- 12 Volt Motor with Variable Sp[eed Control and On/Off Switch
- Material Agitator
