

Kochek Sprinkler Quick Coupler Key w/Relief Valve

RG900SQC-55

Details

Kochek fire handle QC Key with relief valve is designed to fit 1" Rainbird style valves. The ergonomic handle assures proper installation and performance while enabling the user to relieve water pressure and remove key without worrying about back pressure. Features longer handle design for hard to reach valves, powder coated and "lead-free" aluminum make the key lighter and safer to use. No kinking. 360 degree swivel. To fit 1" Rainbird style valves.
