

Underhill Easyout Spray Head Removal Tool Fits 2-12in Spray Heads RGA-EO-SRT18K

Details

The EasyOut Quick Fix sprinkler removal tool is designed for the removal and replacement of a spray head in 3 minutes or less without digging and without damaging turf. The tool fits all major spray head brands and is so easy to use. The Easy Out rod prevents dirt from entering pipe and fitting. Easily raise sprinkler height to grade, convert spray heads to drip or cap off an unwanted sprinkler. The EasyCap fitting, RGA=EO-05EC sold separately, makes plugging unwanted sprinklers easy and fast.
