

Liquid Fence Deer/Rabbit Repellent - 1 gal Concentrate

RP0111

Details

Enjoy flower gardens without deer and rabbits feasting on your landscaping, shrubbery, trees and vines. Liquid Fence is an odor-based product offensive to wild animals, training deer and rabbits to avoid your area. Spray monthly year round on even the most delicate plants without harm. Effective pest control for deer that might harbor ticks carrying Lyme Disease. Long lasting and rain resistant. Environmentally safe, easy to use, biodegradable, and safe for plants or animals. 1 gal concentrate, 20,000 sq. ft. Not for sale in New Mexico or outside the U.S. 1 gal concentrate, 20,000 sq. ft.
