

3-D Coyote

RP2028

Details

Eliminate geese and bird droppings on your property! This 3 dimensional life-size coyote replica strikes instinctual fear into the hearts of geese, birds and other small animals eliminating messy droppings. The sturdy, maintenance-free, decoy designed with lifelike furry tail to blow in the breeze, provides 360 degree visibility. Weatherproof resin body. Easily moved for effectiveness. One decoy per open acre. Chemical-free. 37" long, 16" tall.

- 3-dimensional, life-size coyote
- Furry, life-like tail
- Works on instinctual fear in prey animals
- Weather proof resin body
- Chemical free
