

Kenyon Steel Backfill Rake 20in

RP73320

Details

The Steel Backfill Rake is more effective than a shovel for many landscaping, irrigation and utility jobs. A great tool for quickly backfilling trenches and moving soil and aggregate materials. The rake features a 20" steel head with a 60in double-bolted powder-coated red aluminum handle with vinyl cushion grip.

- Quickly backfill trenches and move soil and aggregate materials
- More effective than a shovel
- Vinyl grip
