

Davinci Curved Broom - 14"

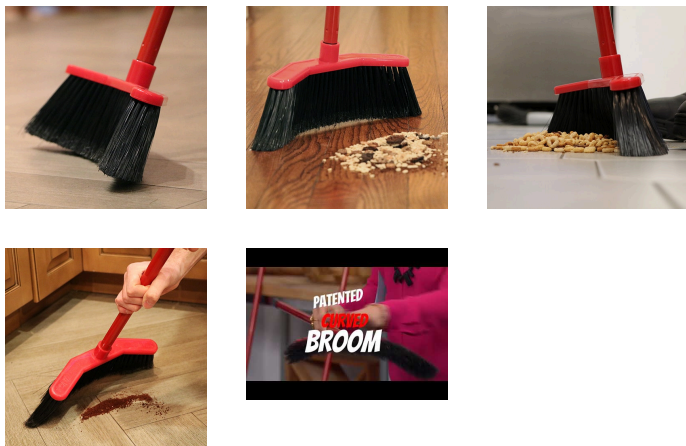

RRA1006

Details

Features curved ends to funnel dirt toward the center of the broom, eliminating spills from the sides while creating a neat pile in the center. The low profile head gets under most cabinets and equipment while the flared edges sweep along walls and into corners easily. Lightweight design reduces fatigue. Available in 14" and 24" widths.

- Curved end sections funnel dirt toward the center section
- Creates a tidy pile in the center of the broom
- Low profile head tets under furniture, cabinets and equipment
- Extra-large 15" sweeping path cuts sweeping time in half
- Flared edges sweep along walls and into corners easily
- Lightweight - 2 lbs.
