

Toolite Square Point Sifter Shovel

R2108

Details

Designed with perforations that sift and separate unwanted debris. Pea-size holes allow sand, dirt, mud, clay, water and gravel to sift through making the shovel more efficient and lighter weight. Ideal for golf course bunkers, sports fields maintenance, landscaping, irrigation ditches, ponds and concrete work. Durable, 14-gauge tempered steel with 48" straight fiberglass handle.

- Pea-sized holes sift and separate debris
- Lightweight and effective
- Ideal for golf course bunkers
