

38PC Fastening Set RTOOLS-8

Details

The Crescent APEX 38-piece fastening set is built for the most demanding jobsites. The stack and store alphaCASE features a tongue and groove design with thick sidewall construction. The fastening set includes the core APEX industrial fastening S2 steel product with optimized tip geometry for fit to the fastener. Screwdriver bit tips include square, Phillips, Torx, slotted, a quick release bit holder, and a magnetic nutsetter. Bits are secured in pivoting insert rails inside the case, allowing easy access to bits and case configurability.
